

# Programme of the visit

## WT2.18b: *University of Granada (UG), Spain*

Task leader name: Michał Woźniak

Visiting person names: Francisco Herrera, Salvador Garcia

Period: 16-17 October 2015 (Prof. Herrera)

Name of the person at the partner institution with whom you  
agreed the programme Francisco Herrera

Name of the person who agreed to present you procedures  
referring to patenting and cooperation between SME and  
university .....

Scientific activities agreed with the hosting partner:

1. Seminar entitled: (1) Addressing Overlapping in  
Classification with Imbalanced Datasets: A First Multi-  
Objective Approach for Feature and Instance Selection, (2) A  
learning Web platform based on a fuzzy linguistic  
recommender system to help students to learn  
recommendation techniques (all talks will be given during  
conference IDEAL 2015 and are coauthored by Prof. Herrera  
(The International Conference on Intelligent Data Engineering  
and Automated Learning) co-organized by ENGINE.

2. Preparing visit of Prof. Wozniak in UG and visit of Dr. Salvador Garcia in Poland (October 2015).
3. Participation in Bartosz Krawczyk's PhD thesis defense (prof. Herrera as co-supervisor, the second supervisor is Prof. Woźniak). Discussion about possibility of the other common PhD theses.
4. Discussion about common event organizing (we got invitation from ICCS 2016 Organizers to organize the second edition of the workshop).
4. Discussion about a common publication - several are under review and new topics will be developed as data preprocessing for big data or classification multiclass imbalance data (together with Dr. J.A. Saez).
