## Personal Information

Mr. **Fredrik Erlandsson** and **Henric Johnson**, faculty members of Blekinge Institute of Technology, Karlskrona, Sweden (the ENGINE partner) visited WrUT (Wrocław) in the period from ..... to ..... (FE) and from ..... to ..... (HJ) order to carry out research and training activities in the field of social network analysis.

## Information about Seminars

Fredrik Erlandsson was encouraged to come to WrUT during the visit of Przemyslaw Kazienko 2 weeks before. As the ENGINE partner he participated in both Machine Learning for Social Media Analysis 2014 (MLSMA'2014) and The First European Network Intelligence Conference (ENIC 2014).

Henric Johnson was one of the organizers of ENIC 2014 and he participated only in this event. During the conference, he gave a talk on “*Profile Cloning Detection in Social Networks*”, which was prepared together with the ENGINE staff member - Piotr Bródka on September 30, 2014.

## Description of scientific activities

(Please describe value added to the ENGINE project i.e. new knowledge, new skills with respect to the objectives of the project, the assigned common area of future cooperation with the partner, plans for common research, projects, publications and how it could be used in the scope of ENGINE)

Henric Johnson was responsible for organizing the poster session and many other small organizational activities at ENIC 2014.

It was decided and commonly agreed during the conference that the next edition of ENIC (ENIC 2015) will be held in Karlskrona at BTH.

Both visitors have prepared a presentation and video to attract ENIC 2014 participants also to submit their papers to ENIC 2015.

Stanislaw Saganowski discussed his possible visit at BTH to perform common research on the huge dataset collected (crawled) mainly by Fredrik Erlandsson in the nearest future.

Przemyslaw Kazienko promised to arrange the special issue in *Social Analysis and Mining* (SNAM) - the Springer journal and talk about the possible co-editorship of Ioannis Kompatsiaris from Thessaloniki Greece (the ENGINE partner) during his visit in Greece in two weeks.

Henric Johnshon was interested in chairing again the SNAM/SMA track at ENIC 2015.
